Running in conjunction with short course in GIS FOR COASTAL & MARINE MANAGEMENT call 021 4703100 for more details

I-CoNet aims to promote good practice in coastal management by bringing together coastal practitioners, policy makers, researchers and the general public with an interest in the sustainable development of Ireland's coast.

The network is managed in partnership between representatives from the Department of Communications Marine and Natural Resources, the Marine Institute, the Heritage Council, National University of Ireland Galway, the University of Ulster, Enterprise Ireland and University College Cork.
